MHSAA INFORMATION

GENERAL INFORMATION

1. Directory Form – This form will be set by MHSAA. It must be **completed** and **returned** to MHSAA by **September 15**. Choral directors must be registered before they can participate in any MHSAA activities. This information is also used to compile a choral director's address and phone directory that is sent to all choral directors in the state.
2. Insurance – The students registered with MHSAA on the eligibility list are automatically covered with catastrophic insurance for activities sponsored or sanctioned by MHSAA such as District Festival, State Festival, Honor Choirs, and out-of-state trips. **Students MUST be enrolled in Dragonfly Max in order to be deemed eligible and be covered under the insurance.**
3. Bordering States – If you take students to a choral event in a bordering state, you must submit the appropriate form to MHSAA (found in this section and the forms section) in order for the catastrophic insurance to apply.
4. Other Trips – If you take students to a choral event outside of the bordering states boundary, you must write MHSAA for permission to guarantee insurance.
5. Conflicting Schedules – Be sure you keep up with your school's calendar to avoid major conflicts. MHSAA sets our state adjudication date more than one year in advance.

General Eligibility Rules

1. To be eligible to participate in interschool activities, a contestant must:

- a. Be a bona fide student, having enrolled not later than the 15th day of any semester of participation, carry the required number of subjects for graduation by their local district and deport himself satisfactorily.
- b. Upon the completion of grade eight, choose the high school he/she wishes to attend in a city or district where there are two or more high schools or schools of secondary grade. When a student has chosen a high school and enrolled in and attended that school for one day or longer, the school of his choice shall become his home school. In a junior high school situation, the choice of grade nine in a given junior high school means the choice of the senior high school, which is designated by the appropriate school board as the senior high school for the graduates of that particular junior high school. Any pupil who enters grade 9 in a member public junior high school or grade 10 or above in a member public high school and then transfers to a member private or parochial high school shall be ineligible for a period of one year. The same is true where a pupil enters grade 9 in a member parochial or private junior high school or grade 10 or above in a member parochial or private high school and then transfers to a member public high school. Upon transfer from the first member high school chosen to the second member school, he will be ineligible for competition in either athletic and literary contests or meets until he has been in the second school for one year from the date he enrolls in the second school.

- c. In the case of a transfer student, the school shall secure a transcript of the school work completed by the student and a transfer form signed by the principal of the school from whence he comes. The transfer form for out-of-state transfers shall give the date the student entered the ninth grade and whether he passed his work during the preceding year. If any school should refuse or delay unnecessarily in sending the transcript or the transfer form, when requested by the receiving school to do so, the Executive Director may, upon the presentation of satisfactory proof, authorize the school to use the student in athletic contests prior to the receipt of the transcript and the transfer form. A transfer student is one whose parents or guardian has moved from one school district to another and established a bona fide residence therein for some other purpose than conferring athletic or interscholastic eligibility on the student. Any transfer student must be in good standing from the school he/she is leaving in order to receive eligibility at his/her new school. This includes MHSAA member schools, as well as non-member schools and students transferring from out of state. Any student who transfers during a sport season, even after making a bona fide move, must be approved for participation in the same sport season.
- d. Foreign Student Eligibility - a bona fide foreign exchange student may be immediately eligible the first year in residence in the school district in which the host family is a bona fide resident and be limited to one year of eligibility provided the student is a participant in an established foreign exchange program accepted for listing by the Council of Standards for International Education Travel (CSIET), and there is no evidence of athletic recruitment resulting in the student's attendance at the school either by the school or any other outside entities. The foreign exchange student shall meet all other eligibility requirements of the MHSAA Handbook. Any student that has established eligibility at a Mississippi school and participates in a Foreign Exchange Program sponsored by a CSIET approved program will be eligible for participation immediately upon his/her return to the same Mississippi school. The student shall meet all other requirements for eligibility as listed in the MHSAA Handbook.
- e. Eligibility Reporting – The report submitted to the State Office becomes a permanent record. Care should be utilized to have the eligibility complete and correct as an error on the original filing can cause difficulty one to three years later. The school should report each student only once during a school year. Eligibility is by semesters and not by sports. At the beginning of each school year, student eligibility should be updated 15 days prior to the first game or contest. Schools that are late in filing eligibility will be fined \$50.00. Players participating in athletics or activities may be added to or changed after the beginning of the season, provided the pupils are not allowed to participate in a game or contest until properly reported. The list of players participating in athletics or activities may be added to or changed after the beginning of the season, provided a pupil is not allowed to participate in a game or contest until properly reported. Each school shall keep a file copy of the eligibility sheets.

2. Academic rules for students participating in activities:

To be eligible for athletics and activities, students must pass the number of courses required by their local district in order to stay on graduation track. The units will be averaged as a whole, either numerically or by GPA, and must be 2.0 or better each semester in order to maintain eligibility.

A student athlete may become eligible for the second semester only once during his/her middle/junior high school career if he/she fails the year-end average the previous year, by passing the required number of units with a 2.0. This will be done in order to keep the student on track for graduation.

NOTE: Detailed information on eligibility can be found on the MHSAA website, www.misshsaa.com, home page under —Eligibility.

Special education students will be academically eligible if they are making satisfactory progress according to the committees reviewing their Individual Education Plans (IEP).

Out of School One or More Semesters: If a pupil who is eligible for a given semester drops out of school for one or more semesters, he/she is then ineligible until he/she passes the required number of courses with an overall average of 2.0 during a semester. A pupil who is eligible for a given semester cannot drop out of school during the semester or remain out of school for one or more semesters and then be eligible for the next semester he attends.

SEVENTH, EIGHTH AND ENTERING NINTH GRADE PARTICIPATION: Pupils in the seventh grade, eighth grade, and entering the ninth grade participating in high school extra-curricular activities must have a 2.0 overall average (computed numerically or by GPA) for the four core courses (English, math, science and social studies) from the preceding semester. The year-end average for the spring semester will be used to compute averages for the fall semester. Students must be on track to be promoted to be eligible.

If a student meets promotional requirements at the end of the school year but is retained in the same grade, the student is ineligible for one (1) year. This is commonly referred to as redshirting. If the student participates after being declared ineligible, the school will be placed on athletic probation by the MHSAA. Also, the school could lose accreditation by the State Department of Education.

SUMMER SCHOOL CREDITS: An accredited summer school shall be considered as an extension of the second semester of the school session, and credits earned in such a school may be considered in determining the scholastic eligibility of students. The completion of a full unit, major subject, during a summer school shall be classed as passing one major subject for one unit of credit and not as passing two major subjects for one half unit each. Accredited correspondence courses may be accepted for establishing athletic eligibility provided the course has been completed and recorded by the opening of school.

Exceptions to Rule (1) may be made by the Executive Director in the following cases:

1. Students that have been tested, screened, and placed in a TMR or EMR Special Education program.
2. Students that have been tested, screened, and placed in accordance with their IEP in a Special Education Program approved by the State Department of Education will be ruled eligible with the following requirements:
 - a. Make satisfactory progress in their course work.
 - b. Maintain attendance according to district policy.
 - c. Be assigned a date of entering the ninth grade corresponding to other students of that age.
 - d. Be subject to all other rules and regulations of the MHSAA.

General Eligibility Rules, Junior High/Middle Schools

To be eligible to participate in interschool Junior High/Middle activities, a contestant must:

- a. Be a bona fide student having enrolled not later than the fifteenth day of any semester of participation, carry four basic courses* and deport himself satisfactorily.
- b. A pupil must attend school in the school district of which his parents are actual bona fide residents.
- c. A student must pass their grade level by achieving at least an average of 2.0 in four basic courses* the previous semester (computed numerically or by GPA). The year-end average for the spring semester will be used to compute averages for the fall semester.
- d. To be eligible for participation as a seventh grader a student must be promoted with an average of 2.0 from sixth to seventh grade and for participation as an eighth grader a student must be promoted from seventh to eighth grade with a 2.0 average.
- e. A pupil who is not eligible at the beginning of the school year may become eligible the second semester only once during the student's junior high school career by passing four basic courses with an overall average of 2.0.
- f. The instructional program of the district is based on an instructional management plan/system that defines core objectives, standards of mastery, and criteria for the academic promotion/progression of students from one grade level to the next. The criteria prohibit the retention of students for extracurricular purposes.
- g. Have on file with the Executive Director at least 15 days prior to the first game or contest the eligibility list giving all information on the form required by the Director.
- h. Age: Seventh grader must not have reached 14 years of age prior to August 1.

Eighth grader must not have reached 15 years of age prior to August 1.

Ninth grader must not have reached 16 years of age prior to August 1.
- i. Sixth grade students are no longer eligible to participate in MHSAA sponsored events; however they are eligible for participation in MMEA events, such as the State Performance Assessment, Solo & Ensemble, and All-State Honor Choir. In such cases, catastrophic insurance through MHSAA is unavailable. An entire choral program may be put on probation if caught using ineligible students. Do not risk probation for your group. Take the time to know and follow the rules.

** Basic courses - Any subject that meets the equivalent of at least 250 minutes per week or meets the State Department requirement.*

To be eligible **only** for middle/junior high activities, a student must have passed any four courses (that meet the equivalent of 250 minutes per week and meet MDE requirements) with a 2.0 average for the preceding semester (computed numerically or by GPA.) The year-end average for the spring semester will be used to compute averages for the fall semester. Students must be on track to be promoted to be eligible.

To be eligible for high school activities, the middle/junior high school students must have a 2.0 overall average (computed numerically or by GPA) for the four core courses (English, math, science, and social studies) from the preceding semester. The year-end average for the spring semester will be used to compute averages for the fall semester. Students must be on track to be promoted to be eligible.

Summer school, or extended school year grades will replace the grade for a failed course in the spring semester GPA.

The following information regards tuition students:

A student who has spent one school year in a school other than his/her home school (bona fide residence of parents) without participating in interscholastic sports/activities and has been released by the home school is considered to be eligible. Eligibility can be established only during the year immediately preceding participation. All students who do not live with their parents for any reason are considered under this rule.

Once a student sits out a year, that school will become their home school. A student is not eligible to return to their former school and become eligible unless they sit out a year or establish a bona fide residence move.

The MS S&E MPA is a program designed to encourage students to learn repertoire to prepare for college auditions and offer performance opportunities. Efforts are made to create a positive and encouraging environment for the student. This year teachers may choose to attend one of the four locations and we have a virtual option.

All ensembles/soloists perform one selection for one judge. Soloists who score a Superior will earn a medal; Ensembles who score a Superior will earn a trophy (or medals if requested on registration form). Each performance must provide an original (with measures numbered) for the judge. Schools will need to provide their own accompanist or may use a track and provide their own bluetooth speaker (this is for a small space). Singers will not use mics. The location host will plan a special event for all participants that same day. Examples include a masterclass, recital/performance, seminar, etc. a possible schedule would be to compete in the morning, special event in the afternoon.

Recording Location:

The video should be recorded in the spirit of a live audition or recital performance. You may record in a home, school, church, synagogue, recital hall, rehearsal room, or voice studio with good natural acoustics with or without an audience.

Recording Guidelines:

The camera should record from a fixed position as if the judge was seated in front of the student(s).

Vocal soloists should face straight forward to the camera as they would appear to the judge in a live performance.

Ensembles may face the director, but the director should not be in view in the video.

Piano solos/duets may of course be faced toward the piano keyboard.

Collaborative Pianist or Recorded Accompaniment:

Vocal solos may sing with a live pianist, such as their teacher, or recorded/digital accompaniment.

If the teacher is the accompanist, they should not be in view in the video.

Suggestions for pre-recorded tracks: Appcompanionist, Hal Leonard's Virtual Library, YouTube Karaoke Tracks, Piano Trax, tracks recorded by the teacher, or any other medium that you can find.

Performance:

Introduce the selection at the beginning of the video.

For example: Vocal solos, or piano solos/duets can be introduced by the student(s) saying: "My Name is _____; "I will sing/perform—Title of Composition---by—Composer—and if appropriate—from---Title of Work". (The identity of your teacher, school, and region should not be revealed.)

Ensembles should be introduced by a student (not the director) using a similar format as above.

Submitting Your Videos:

You will be sent a link for a google folder with the name of your school on your google drive to submit your video(s).

Please create a separate folder inside your school's google folder for each performance and label the folder with the student's or ensemble's name.

You can upload the performance video inside that performer's folder you created.

All videos are due Friday, February 5, 2027. Judge results will be completed within two weeks of submission.

All vocal solos and choir ensembles are expected to perform their music from memory. Ensembles may be directed, but the director should be off screen. For vocal solos, any indication that the student is being coached off screen will result in the student being disqualified and their video will not be judged.

STATE PERFORMANCE ASSESSMENT

ADJUDICATION

1. GENERAL FACTS –

- a. Each group will perform two selections.
- b. A director does not have to be a member of MMEA to participate in State Performance Assessment. His/her school, however, must be a member of MHSAA, and the director himself/herself must be registered with MHSAA.
- c. All groups perform from memory.
- d. Trophies are awarded to superior rated choirs, ensembles, and sight-reading.
- e. Boys with unchanged voices may sing in a treble choir or ensemble.
- f. Boys with changing voices may sing a note or short phrase up or down an octave to accommodate their range, within reason. Please indicate this on your score.
- g. Music listed as 2-part may be sung with any combination of voicings (SB, ST, TB, etc.). Music listed as SA or TB must be performed as indicated (soprano/alto or tenor/bass) at the written pitch.
- h. Time allotted for performance includes entering and exiting the performance area.
- i. At festivals, choirs have a designated warm-up room, ensembles do not.
- j. Ensemble absences: If an emergency or illness keeps an ensemble member from performing with its group at State Festival, the director has three choices:
 - i. Let the group perform without its usual number for either a rating or comments only.
 - ii. Substitute the absent student with another student.
 - iii. Scratch the group from the schedule.
- k. There will be a \$25 late fee if the registration form and fee is not received by the deadline.
- l. Directors must provide adequate chaperones to help supervise students.
- m. Groups who arrive at the festival late will be rescheduled after the last choir in the morning or the last choir in the afternoon. Any other situation will be determined by the chairman.
- n. State Festival fees are \$6.00 per student per event with a maximum of \$400 per type of group and no maximum per school. State Festival fees for ensembles are \$6 per person per event, with a minimum of \$50 per ensemble. Any choir with fewer than twenty-one members will be charged as an ensemble. District Festival fees vary and are established by each district.
- o. Duplication of students in choirs in the same voice category is not allowed. Duplication of students in ensembles in the same voice category is not allowed. For example, a singer may sing in only one Mixed Choir and only one Mixed Ensemble.
- p. Choirs are considered to have twenty-one members or more. Ensembles have twenty members or less. Ensembles may be conducted.
- q. A school may not enter more than one category with the same literature.
- r. A school may not sing any same song in two consecutive years.
- s. Recorded accompaniments are not allowed.
- t. Special scheduling requests should be made on the registration form. Traveling distances will be considered for scheduling.

- u. Fifth grade students are not eligible to participate in MMEA Festivals due to lack of insurance by MHSAA.
- v. Sixth grade students may no longer participate in MHSAA sponsored events. However, they are eligible to participate in MMEA events such as: State Performance Assessment, Solo & Ensemble, and All-State Honor Choir. In such cases, catastrophic insurance coverage by MHSAA is unavailable. This is to be noted as a school field trip. Sixth Graders may perform with seventh and eighth graders, but it must be for ratings. However, they can perform as just a sixth grade choir/ensemble for comments or ratings. Sight Reading is still required of all choirs and ensembles.
- w. Photocopied music is not permitted unless it is accompanied by a current letter from the publisher or copyright holder granting permission to copy and stating that the appropriate fees, if any, have been paid.
- x. There are no prescribed lists for festival; however, pop and patriotic music are not allowed. For helpful lists of graded literature, see the Florida Vocal Association's prescribed lists at www.fva.net/mpa/muisc-list/ or the University Interscholastic League (Texas) at www.utexas.edu/uil/pml/browse.
- y. Director must provide 3 original copies of the repertoire with all measures numbered.

2. VOICE CATEGORIES

- a. Choirs must sing two selections
 - i. Boy Choir (unison, TB, TTB, TBB, TTBB)
 - ii. Treble Choir (unison, SA, SSA, SSAA)
 - iii. Mixed Choir (unison, SB(T), SAB, SATB)
- b. Ensembles must sing two selections
 - i. Boy Ensemble (unison, TB, TTB, TBB, TTBB)
 - ii. Treble Ensemble (unison, SA, SSA, SSAA)
 - iii. Mixed Ensemble (unison, SB(T), SAB, SATB)

3. FEES AND FORMS

- a. Read each registration form carefully for the following information:
 - i. Cost per student per performance. State Festival fees are \$6.00 per student per event with a \$400 maximum per type of group and no maximum per school.
 - ii. Who to make the check payable to.
 - iii. Registration is due date (There will be a \$25 late fee if the registration form and fee is not received by the deadline).
 - iv. Where to send the fees and forms.
- b. Performing groups will not be scheduled until a PO is received.
- c. If full payment is not received by the performance date; the group(s) will not be allowed to perform.

4. SWEEPSTAKES

- a. Sweepstakes is defined as superior ratings from all three judges and sight reading at State Festival. Sight-reading must be the voicing sung on stage or one voicing down in order to be eligible for sweepstakes.

Sight Reading

1. General Information

- a. All students who enter an adjudication category at State Festival must sight read at that same festival. Some directors will combine all singers into one choir to sight read, however directors may choose to divide students by choirs provided there is adequate time in the schedule. If a school enters only ensembles, then those ensembles will sight-read together.
- b. All students who participate in State Festival will sight read.
- c. The sight-reading example will be eight measures long and written in unison, two-part, three-part or four-part harmony. The director may choose the level to be read. It includes both melodic and rhythmic exercises. The two-part arrangement will accommodate SA, TB and SB reading and the four-part will accommodate SATB reading.
- d. Numbers, words, solfege or neutral syllables may be used when sight-reading.
- e. The same sight-reading selection will be used statewide.
- f. There is only one sight reading judge, not three as in concert adjudication.
- g. A suggestion is to begin teaching sight-reading the first day of school.

2. Procedure for Sight Reading Adjudication

- a. The choir enters the room quietly and the director arranges students with the least amount of confusion possible.
- b. The director will specify the voicing and the judge will pass out the appropriate selection. Each student should receive a copy along with the director and accompanist.
- c. Each school must provide its own accompanist.
- d. Teacher may change key of sight-reading material as appropriate.
- e. The group has eight minutes to study the music including a run through with the accompaniment. The director may use any or all of the eight minutes to prepare both the melodic and rhythmic portions.
- f. During the eight minutes of time you may:
 - i. Receive the keynote from the piano and have the choir sing the scale and I-IV-V7-I cadence in blocked chords or arpeggios without accompaniment.
 - ii. Point out key and time signatures, difficult rhythms, difficult intervals or any other markings in the music.
 - iii. The choir may speak, clap or tap rhythms.
 - iv. The choir may say the syllables, solfege, or numbers in rhythm.
 - v. The choir may work in groups on each part.
 - vi. The choir may ask and answer questions.
- g. No one in the room may sing or hum the sight-reading material during this time until the director is ready for the students to sight-read.
- h. At the end of the eight minutes, the director is prohibited from giving any further verbal instructions during the sight-reading performance. **Violations will result in disqualification.**
- i. Starting pitches are given and the students will sight read the selection with the piano on solfege, numbers, or whatever other method they use without stopping.
- j. Teacher may keep a steady beat while students sing and may accompany the choir on their first run-through of the melodic passage.
- k. The piece is to be sung a second time, a-cappella, without stopping.

- l. If it is necessary for the director or judge to stop the choir during the singing of the piece, pitches may be obtained and singing will resume from that point. This will result in the lowering of the score.
- m. The judge collects all copies of the music and dismisses the students. No music is to leave the room and the students are to leave quietly.

Mississippi Choral Sight-Reading Guidelines

A tiered sight-reading program is to be employed for each voicing.

Each sight-reading exercise will include three portions:

1. An eight-measure melodic passage that will count for 60% of the score.
2. An eight-measure rhythm passage that will count for 30% of the score.
3. The final 10% will be on work ethic.

1. Have at least five years teaching experience
2. Be willing to remain in contact with your “mentee” and guide them through the yearly activities
3. Be willing to go to the “mentee’s” school at least twice a year and give hands-on assistance
4. Do not discuss the “mentee’s” issues with other people. You may, however, ask advice for varying situations.
5. Make sure your “mentee” understands all handbook information
6. Be willing to suggest appropriate literature for choral performance
7. Offer beneficial information about festival preparation
8. Offer sight reading tips
9. Encourage membership in professional organizations

The responsibility of the “mentee” is to sign-up for a mentor and then to ask them questions. You must also be willing to get involved. This is a chance for the “mentee” to build a quality choral music program.

General Information

1. MMEA is responsible for the Choral Art Festival and will continue to offer it as an alternative to the State Performance Assessment for the choice of **Ratings or Comments Only**.
2. The purpose of this festival is to provide new and developing choral programs, grades 7th-12th, and choral directors with a positive, non-threatening, non-competitive choral experience that will ultimately lead to their participation in the State Performance Assessment.
3. **Participation** in one MHSAA sanctioned event (SPA or CAF) **is required** of all MHSAA member schools with choral programs. Choral groups **may NOT** participate in both MHSAA sanctioned festival events; they must choose the Choral Art Festival or the State Performance Assessment.
 - a. a choral director who wishes to request exemption from the Choral Art Festival must submit an **Exemption Request Letter** along with **FORM 1** to the MHSAA Office by **September 15**
 - b. request letters must be composed on school letterhead by the requesting choral director's principal
4. To participate in the Choral Art Festival:
 - a. a choral director's school **must** be an employee of an MHSAA member school
 - b. a choral director **must** be registered with MHSAA (**FORM 1**)
 - c. choral students and small ensemble students **must** be recognized by school authorities and meet MHSAA eligibility requirements (DragonFly Max)
 - d. a choral director is **not** required to be a member of MMEA or NAFME
 - e. a choral director **must** complete an approval application (**FORM 8**) and submit it to the **Choral Art Festival Site Coordinator by December 01** (see the form)
5. MHSAA provides catastrophic insurance for 7th – 12th graders.
6. There are no restrictions on performance combinations for 7th - 12th grade participants
7. The choral director may choose either numeric **Ratings OR Comments Only** for the concert portion and the sight-reading portion of CAF.
 - a. regardless of a choral director's choice, each choral group will receive a 10 – 20-minute on-stage clinic following their stage performance
 - i. the on-stage clinic is provided by one of the three stage performance adjudicators / clinicians
 - ii. instruction and comments will be constructive and student-centered
 - b. choral groups who opt for **Comments Only** for sight-reading will spend the allotted time working with the sight-reading clinician
 - i. the clinician will focus on teaching effective practices and techniques to help the choral groups better understand the expectations of the adjudication process
 - ii. the overall goal of the sight-reading clinician will be to build the students' confidence and set each choral group on a path to successful music reading and development
2. A choral director who is feeling overwhelmed should immediately begin communicating with the Choral Art Festival Site Coordinator (current President Elect).

Registration Forms and Fees

1. Choral Art Festival registration fees are set by MMEA.
 - a. registration fees are \$5.00 per student, per adjudicated group. Example: The total registration cost for a student who sings in an SATB Choir, SSA Choir, & Sextet is \$15.00.
2. Participation in the Choral Art Festival is by approval application only (**FORM 8**).
 - a. applications are open to all choirs and ensembles based on the specifications listed on FORM 8
 - b. the CAF Coordinator will contact each choral director regarding their approval status
3. Following the approval process of FORM 8, registration forms (**FORM 9**) and fees (**copy of P.O.**) are due to the CAF Coordinator by the **Winter Business Meeting**. Be diligent.
 - a. **registration fees are non-refundable**
 - b. registration fees must be paid in full prior to the festival
 - c. registration fees for additional students not listed on the original registration form must be paid in full prior to the festival event
4. **Schools will not be placed on the concert schedule until completed registration forms and registration fees have been received by the CAF Coordinator.**

Music Requirements

1. Choral groups **should** perform two selections from memory, chosen by the choral director. **There are no prescribed list requirements for the festival**; however, pop, and patriotic music should be avoided. For helpful lists of graded literature, see the following prescribed lists:
